

Take action to help make Camden net zero carbon by 2030 Sign up to the Camden Climate Pledge

Support the Camden Climate Action Plan and join others to work together towards net zero carbon emissions by 2030.

Why take the pledge?

The Climate Pledge provides an opportunity to show publicly your support, receive recognition and access support through the Camden Climate Change Alliance. Take the Climate Pledge now to:

- Be included in the social media campaign
- Receive publicity through CCCA communication channels and website
- Showcase your achievements
- Use the '**Camden Climate Check**' logo
- Access peer to peer knowledge sharing activities
- Receive advice on local funding opportunities
- Access free expert support and resources to achieve actions

How does it work?

Sign up through the CCCA website and choose actions across 8 sustainability areas which you commit to undertake. The CCCA will then offer you support in achieving these goals. There are actions for those on all levels of sustainability for all sectors.

- Consider the themes
- Choose your actions
- Make your pledge
- Receive support

Organisations based or operating in the London Borough of Camden are eligible to sign up.

“ We are proud to support the Camden Climate Change Alliance and the Climate Pledge. The Pledge is an opportunity to make a difference in tackling the climate crisis and receive support on sustainability from the CCCA. Midtown BID encourages all our partners to take the pledge and work together to implement real change. ”

Debbie Akehurst, CEO, Midtown BID
